

A man with a beard, wearing a black t-shirt and black cargo pants, is crouching in a workshop. He is wearing black gloves and has a tool belt with several tools. He is looking towards the left. In the background, there is a large white engine block and some electrical equipment. The text "HH CONNECT™" is overlaid in a white box.

A full-body photograph of a male construction worker walking towards the camera on a gravel-covered construction site. He is wearing a high-visibility safety suit consisting of a jacket and trousers in bright yellow-green with reflective silver-grey stripes. The jacket has a black collar, a black zipper, and a black stripe across the chest. The trousers have black knee patches and black stripes at the ankles. He is also wearing a black beanie with a yellow-green stripe and black safety boots. In the background, there is a yellow construction vehicle, a black excavator, and some wooden pallets. The sky is overcast.
