

MEET GUESTKEY

GuestKey enables guests to open their hotel room with their mobile phone and gives you an extra form of communication. This way you are not only fulfilling the hygiene needs of guests, but you also give yourself an extra point of contact to inform your guests with relevant information through the webapp or to even create an upsell by communicating new promotions.

PERSONAL

Adapt your style

SAFE

Hygienic: no more keycards

USER-FRIENDLY

No app install required

COMPATIBLE

With your current locking system

REAL-TIME

Cloud on-line access control of your mobile keys

PICK YOUR PLAN

SWITCH NOW

It might be a tough time for hotels right now, but if you want to fulfill the needs of guests that have been created by this crisis, it's time to turn the switch now.
