

SHIPPING INSTRUCTIONS

ILS (International Lifting & Shipping) have been appointed as the official logistics and onsite handling contractor for StockExpo 2027 being held at Rotterdam Ahoy.

We will be responsible for scheduling and onsite handling. No other contractor will be permitted to operate mechanical handling equipment within the exhibition halls for the control of safety and security purposes.

A man wearing a high-visibility yellow vest with the 'ILS' logo and 'International Lifting & Shipping' text is operating a yellow forklift. The forklift also features the 'ILS' logo and company name. The background shows an indoor industrial or warehouse setting with a 'Showcase' sign.

Please get in contact to receive detailed consignee information, shipping labels, rates and booking forms.	Please get in contact to receive detailed warehouse address, shipping labels, rates and booking forms.

CIPL (Invoice & Packing List) – For non-EU shipments only

You can find our template by clicking [here](#)

Please note that the above template link must be used to ensure that ILS/Fairexx can process your requirements. This template is compulsory.

Courier shipment

All courier shipments must arrive DDP (duties & taxes paid by sender).

Shipments arriving from outside the EU will require an importer of record.

If you do not have an EU EORI number, our local partner, can clear the goods with customs under their VAT registration number, on your behalf. This is a chargeable service and should be pre-advised. They will require a full CIPL in advance.

For courier shipments, we strongly advise you send goods to our advance warehouse, Please complete and return the order form to book the service. You will then receive costs based on the information you provide along with instructions and delivery address label which must be attached all goods.

If sending goods directly to your stand during tenancy, please ensure someone is present on your stand to sign for your shipment. If no one is present on your stand or the shipment arrives prior to tenancy the goods will be received into the warehouse and charges will be applicable.

Direct offloading

Direct offloading through ILS should arrive

NO EARLIER THAN Saturday 6th March 2027

Notify/Reference: StocExpo 2027

Terms and Conditions

All business undertaken by ILS is subject to the current edition of our Conditions of Trading, copies of which are available upon request. These conditions contain provisions which limit and/or exclude our liability and should be read carefully. Without prejudice to the generality of those conditions, please note that in no circumstances will we accept responsibility for goods left unattended at any time, whether on a stand or in an open store or otherwise (All stores deemed open unless expressly stated otherwise).

We strongly recommend all exhibitors to arrange insurance coverage including transit to and from the exhibition, whilst on display and in storage. Please note that our partner, Fairexx does not insure automatically unless asked to do so in writing. Both ILS and our partner Fairexx are not liable for any losses, theft or pilferage.

Agents Network

Our recommended agent in your country is specialised in exhibition freight forwarding and will be able to assist you with the preparation of your shipment. Our agent will give you professional advice and will offer you an all-in package that covers all services until your items are returned to origin after the event. The list of our worldwide agents is available on request.

Return Shipments

We will be happy to organise the return transport of your items to any destination worldwide, with the transportation method you require (courier, sea, air or road). Our representatives will be at the venue in order to take your orders and assist you in anyway, such as packing, labelling etc.

Exhibition Timetable
