since the 1970's

## Flower-Tartelettes: Delight for the eyes & the palate

Our popular HUG Tartelettes Classic Line is growing: a new Tartelette form will turn any dessert in an original piece of art. This unique flower-shaped Tartelette will stimulate you to make inspired creations – your guests will be delighted. Thanks to a thin layer of vegetable oil, these Tartelettes keep their shape and stay crispy much longer.
