We are Atlas!

Europe largest independent
express shipping company
with our own vehicles

And we have an office in Belgium
and Holland to serve you !

About us

We have the largest fleet of 3,5 T vans in the field of dedicated express transportation, in Europe. As an addition to the general express transportation, Atlas Benelux also offers ADR and temperature controlled transports.

Atlas Express Group has started expanding it's network of own offices in Europe. Currently we have offices in Romania(3), Germany (3), Austria, Spain, Portugal and Benelux.

For 2025, we are pleased to announce exciting developments, including the establishment of new offices in Holland and France.

Atlas Express Group has implemented all challenges from the Mobility Pack.

Atlas will be ready to comply with the Mobility Pack in 2026.

Company facilities

Our vehicle fleet includes the following:

- More than 800 boxed and curtainsided vans of 3.5 t (450 belong to Atlas company, and the others belong to subcontractors with whom we have exclusivity long term contracts).
- Temperature Controlled (Freezing – Ambient – Warming) 3,5 t vehicles.
- 7.5 ton, 12 ton and 18 ton trucks.

The Headquarter of Atlas Express Group in Alba Iulia has also an own working point with 4 technicians for maintenance and repairing the Atlas vehicles.

Atlas Express complies with Project 44.

All Atlas vehicles can be sealed for security measures.

All our vehicles hold merchandise insurance policies of minimum 25.000 euro per vehicle to which is added a company insurance policy of 1.500.000 Euros, including cabotage insurance. Aside from the CMR policy, we also hold a cargo policy of 50.000 Euros.
