

Introducing the Globetrotter

DSV's Newest Charter Network Route

We are always working to continually provide more direct, reliable avenues of transportation for our customers, and in the current market, the best way to do this is by expanding our Charter Network offerings.

We are proud to announce the latest expansion of our Charter Network, the Globetrotter, which connects 4 continents and provides an around the world rotation with hub and spoke connections to our existing charter services.

Globetrotter Highlights:

- 100% DSV Charter capacity
- Boeing 747 nose-load freighter
- In-house ground-handling at uncongested airports
- Capacity to and from mainland China via CGO while avoiding constrained PVG
- Block Space Agreements for DSV customers
- Ability to handle Pharma, Hazardous, Oversize, and more commodities
