

The knowledge hub for supply chain professionals

Why become a PICS member?

Our promise

As a not-for-profit organisation packed with academics and experts from the industry, you are bound to receive the courses, tutorship and networking you deserve. Our main objective is to spread the skills, methodologies and knowhow to enhance professionalism of supply chain management. Being the trusted Premier APICS training Partner of ASCM with certified instructors and tutors in our ranks, we are committed to our mission. The regular networking events, seminars and webinars with peers will expand your expertise and reach of your company and your talent.

Individual membership

- Name-bound membership for 1 person
- free access to the yearly PICS Supply Chain Professionals Reunion, company visits & info-sessions
