

Your overseas customers count **on you**

*Whatever you are producing, it only adds value when your customer gets your products in good order and on time. **Smooth and seamless logistics are an integral part of the value chain** and The Sany group is ready to take full responsibility for this.*

Shipping by sea is by far the most economic mode of transportation. Among our customers it is the preferred way of forwarding their goods, provided that urgency is not the top priority.

Worldwide shipping by sea

Operating from Antwerp, Rotterdam, we offer you comprehensive, worldwide door-to-door delivery services for the import and export of container loads, general and project cargoes by sea.

As a forwarding company with partners all over the world, we can handle all your seagoing transports from a to z, whether by shortsea or deepsea. For inland transport, shipping by barge is a time and cost saving alternative for road transport. Within our multimodal approach we see to it that transshipment is handled fast and smoothly. Needless to say that our shipping over water connects seamlessly with road or rail transport when and where convenient or beneficial.

Uniforce network

The Sany group is part of the Uniforce network. The network is composed of business owners around the world, offering global logistics services - operating on all continents, from the 20 biggest sea- and airports in the world. The Sany group takes care of operations and services in Belgium and The Netherlands with the seaports of Antwerp and Rotterdam and the Brussels and Amsterdam airports as home base.

All kinds of goods. Groupage and full container loads

Sany takes care of shipping your cargo, whatever its nature, including fresh fruit and vegetables. As a matter of fact, there is a growing tendency to ship break bulk and liquids in containers, e.g. paper and wood pulp or wine in flexitanks. Sany can advise you on this and has everything it takes to offer you complete service in this matter. You can have your goods shipped by means of FCL containers (Full Container Load) or you can hire a volume in a groupage container (LCL or Less Than Container Load).

On a straight course to your markets

Sany deals directly with all major carriers all over the world, sidestepping the costs of middlemen. Through our worldwide partner network we service international clients and also organize cross-trade transport.
