

BARRADAS ROTARY SHEAR

BRS 140/200

MACHINE DATA

Drive	2x132 kW, 400 V/50 Hz
Rotation	10/11 rpm
Cutting area	2000x1400 mm
Cutting width	80 mm
Number of knives	24 pcs.
Dimensions	7.5 x 6.5 x 5.9 m
Weight	46 t

BRS 140/200

STANDARD EQUIPMENT

Hopper	3000x3200 mm
Substructure	1500 mm
Maintenance platform	
Gearbox cover	
Lacquer/color	RAL 7004 Signal Grey & RAL 7016 Anthracite Grey
Control cabinet	Integrated control panel Siemens Touch Panel
Control system	Siemens S7
Cabling	10 m cable
Operating language	German, English, French
Instruction manual	German, English, French

ADDITIONAL EQUIPMENT

Hopper	Special construction Filling level monitoring Spray system
Hydraulic represser	7.5 kW incl. oil cooling, Heating optional
Safety fence	Access control with Key transfer system
lubrication unit	Automatically
ICS Control	Intelligent Control System
On-site control point	
Radio remote control	
Remote maintenance router	WAN/GSM
Operating language	In local language
Instruction manual	In local language
