

BARRADAS ROTARY SHEAR

BRS 60

MACHINE DATA

Drive	2x15 kW, 400 V/50 Hz
Rotation	19 rpm
Cutting area	800x600 mm
Cutting width	15-40 mm
Number of knives	14-40 pcs.
Dimensions	2.2 x 1.1 x 2.0 m
Weight	1,5 t

BRS 60

STANDARD EQUIPMENT

Hopper	950x700 mm
Substructure	1000 mm
Lacquer/color	RAL 7004 Signal Grey & RAL 7016 Anthracite Grey
Control cabinet	Integrated control panel Siemens Touch Panel
Control system	Siemens S7
Cabling	10 m cable
Operating language	German, English, French
Instruction manual	German, English, French

ADDITIONAL EQUIPMENT

Hopper	Special construction Filling level monitoring Spray system
Safety fence	Access control with Key transfer system
Drive	2x30 kW, 400 V/50 Hz
ICS Control	Intelligent Control System
On-site control point	
Radio remote control	
Remote maintenance router	WAN/GSM
Operating language	In local language
Instruction manual	In local language
