WARRANTY AND RETURNS

This dealer book contains our updated warranty terms. Please review them carefully so that you can properly inform your customers. From the moment of purchase we offer 24 months warranty on manufacturing defects of our jewelry and 6 months on the plating of our jewelry. We also like to give some tips to enjoy your Melano items as long as possible.

A. WARRANTY CONDITIONS

Warranty only applies if the jewelry is delivered in a repair bag including a clear indication of the problem and the proof of purchase.

1. Conditions covered by 24-month warranty:

Breakage of the jewelry due to a manufacturing defect except breakage of zirconia and/or gemstones;

- A broken clasp of a bracelet or necklace;
- A bad fit or loss of the setting due to bad production;
- The loss of a stone from the setting due to a manufacturing defect.

2. Conditions covered by 6-month warranty:

Tarnishing and/or discoloration of the plating, when the instructions for use have been observed and there is no improper use.

3. Not covered by warranty:

- No proof of purchase is present;
- Items have been sold at an outlet price;
- Discolouration to the plating due to high acidity of the skin or bad thread;
- Jewelry that has been adapted and/or repaired by persons other than Melano employees;
- Lost or stolen jewelry;

We cannot guarantee that every stone on every piece of jewelry can be fixed in the same position.

B. USER INSTRUCTIONS

To enjoy the Melano items as long as possible, we ask you to follow these user instructions:

- Clean the jewelry only with a clean soft cloth;
- Take off your rings, when you wash your hands;
- For jewelry with a screw-thread, tighten the setting on a daily basis and check whether the rubber ring is still on the screw-thread. Replacement rubbers are available through our customer service;
- Avoid contact with (hard) surfaces to avoid scratches and dents;
- Avoid contact with chemicals such as hairspray, perfume, body lotion, soap, detergents, shower gel or products containing chlorine. Do not wear the jewelry while swimming, brushing, showering or in similar situations.

What to do when the consumer qualifies for the guarantee?

- When you approve the warranty we would like to ask you to replace the product. If you do not have a replacement product in stock, please send the product to us as soon as possible. We will handle the defect within 5 working days;
- Please make sure the product is in a repair bag including a clear indication of the problem and the proof of purchase. Repair bags can be ordered for free on the dealer portal or through our customer service department;
- Shipping costs are at your own expense. To minimize loss, please use a bubble envelope. Melano cannot be held responsible for the loss of a shipment;
- Or choose to give the filled repair bag to your account manager during a visit;
- Melano has the right to refuse warranties when the warranty conditions are not met;
- The replacement item will be shipped to you with your next order.

C. CREDITING

- Warranty cases are always replaced with a new product and therefore never credited;
- If the warranty case involves an item from the current collection, it will be replaced with the same item;
- If the warranty case is an item from the outlet collection, it will not be credited or replaced;
- If it involves an outlet item which can be shown, by means of a receipt, to have been sold at the regular recommended price, it will be replaced by the same item, even if this means that this item is currently part of the outlet collection. In all other outlet cases, no refunds will be made. Warranty orders will be sent with the next order
