Hardwax-oil 2K

Hardwax-oil 2K

The immense popularity of oiled flooring demands for increasingly faster production possibilities, especially for commercial projects. Floorservice Hardwax-oil 2K is a VOC-free finishing product that cures very fast (within 24hrs); ensuring the floor to be fully operational in no time. Floorservice Hardwax-oil 2K enhances the colour and natural structure of the finished surface. This ensures a durable, natural look and feel on any wooden flooring. Hardwax-oil 2K can be applied as a one-coat or as a two-coat system, depending on the application method of choice.

The colours displayed are examples of coloured Hardwax-oil on oak rustic. The look and feel and therefore the end results strongly depend on the type of wood, the sorting and the pretreatment of it. Because wood is a natural product, these colours may vary. We recommend you carry out a test beforehand, in order to determine the colour.
