M	1061335002
L	1061335003
XL	1061335004

1 / 1 = Minimum purchase / Increment

DESCRIPTION

WorkAir by D-Air Lab is the first PPE-certified airbag system for workers at height. Designed and manufactured entirely in Italy, the system protects back, chest and vital organs by inflating within 40 milliseconds in the event of a fall. It can be used without fall protection from 1.2 m to 2 m, and above 2 m in combination with a fall arrest harness. WorkAir uses the "Intelligent Clothing" technology developed by Dainese for motorbike racers and skiers. It is lightweight, comfortable and ergonomic. Also available in Fluo yellow and Fluo orange.

INFORMATIVE CHARACTERISTICS

Accessories harness: Yes : ACCESSORIES
Suitable for: Construction, Distribution & logistics Brand: D-AIR
