- b. You must be single (this does not apply to the friendship session).

2. Registration for Heroes Dutch Comic Con Double Dating Sessions

- a. We divide the sessions into three categories: heterosexual, queer, and friendship-based. The romantic sessions are further divided into the age groups 18-25 and 26+. Please make sure you participate in the session that best matches your preferences.
- b. When purchasing queer tickets, you will be asked about your own gender, your duo partner's gender, and the genders you are attracted to. This is to help ensure that you are matched with another suitable duo as accurately as possible.
- c. If you made a mistake in the registration form, please contact the Love Doctor at nadine.bryson@easyfairs.com. We recommend doing so, as otherwise you may end up in the wrong group.
- d. If you wish to cancel your registration, you can do so via Eventbrite.

3. Procedure

- a. All duos will be divided into two groups. One group will remain seated, while the other group rotates.
- b. You will have approximately 15 minutes per date. This means you will speak with a maximum of 4 duos during your session. The organization will provide a few icebreakers to help start the conversation.
- c. Each participant will receive a list containing all the "names" of the participants they will meet. If you really enjoyed your session with "Gamora," for example, you can mark "Yes" next to their name.
- d. If both participants select the number of their shared session, they are considered "a match."
- e. In the event of a match, the organization will exchange the contact details of both parties. Person A will therefore receive the contact details of Person B, and vice versa.
- f. The rest is up to you.

4. Code of Conduct
