

Membership Benefits

Oracle Academy membership offers educational institutions and educators free computing education resources for the classroom to help increase knowledge, skills development, innovation, and diversity in technology fields.

Oracle Academy Institutional membership is free and offers institutions and their educators access to world-class technology and software, expert curriculum, teaching and learning materials, professional development, Oracle professional certification resources, member recognition, and a wealth of classroom resources for their students.

Educators are able to share with students many of these benefits, including study resources, Oracle certification learning materials, software licenses, Oracle Application Express (APEX) workspaces for hands-on practice, Oracle Academy Cloud Program, and much more.

INSTITUTIONAL MEMBERSHIP BENEFITS

Curricula centered on object-oriented programming (Java), database, Oracle Cloud, and emerging technologies including artificial intelligence and machine learning, big data, and more

The **Oracle Academy Cloud Program**, which provides access to Oracle Cloud Free Tier for teaching and learning

Oracle Academy Education Bytes — modular learning resources that include hands-on labs, projects and challenges, and videos and presentations, with answer guides and lab solutions. Students can use many of these as self-directed learning.

Oracle Academy Application Express (APEX) workspaces for educators and students to work in the Oracle Database Cloud, plus technical support

Access to the **Career Center** in the Oracle Academy Member Hub for educators and learners to peruse free career-based learning content modules

Oracle software licenses for teaching and not-for-profit academic research use, plus technical support

Workshops in a Box to introduce computing to students

Access to My Oracle Support, **software updates**, and patches for software licensed through Oracle Academy

Free **professional development** for educators
