

The knowledge hub for supply chain professionals

Why become a PICS member?

Our promise

As a not-for-profit organisation packed with academics and experts from the industry, your people are bound to receive the courses, tutorship and networking they deserve. Our main objective is to spread the skills, methodologies and knowhow to enhance professionalism of supply chain management in general, and your staff in particular. Being the trusted Premier APICS training Partner of ASCM with certified instructors and tutors in our ranks, we are committed to our mission. The regular networking events, seminars and webinars with peers will expand the expertise and reach of your company and your talent.
