

On-Site Guide

1. || General exhibitor information

You can find all important information in the [Technical Manual](#). We have added additional site-specific detailed information to this document for you.

2. || Arrival

Destination address:

Bad Salzungen Exhibition Center
Hall 20 / Hall 21
Benzstr. 23
32108 Bad Salzungen
Germany

Travel information

<https://www.messezentrum.de/anreise-und-aufenthalt>

3. || Servicepoint Easyfairs

You can find us at the **FMB Lounge in Hall 20** for all your needs.

Service Hours:

Mon, November 3, 2025, Set-up

12:00 PM to 6:00 PM, Info Counter/FMB Lounge, Hall 20

Tue, November 4, 2025, and Wed, November 5, 2025, Trade Fair Days

8:00 AM to 5:00 PM, Info Counter, FMB Lounge, Hall 20

Thu, November 6, 2025, Dismantling

4:00 PM to 10:00 PM

Topics/Questions:

- Collection of exhibitor documents (passports, meal vouchers)
- Wi-Fi access data
- Questions about electricity, compressed air, and internet
- Last-minute orders for furniture (while supplies last) and technical connections (no guarantee)
- Complaints (set-up day, 12:00 PM to 6:00 PM) #
- Drop-off Job postings for the Job Board
- Questions about our digital solutions
- Assembly assistants - Questions about wall monitors / monitors on stands
- Other questions, problems, and requests

4. | | Logistics service

including forklifts, pallet trucks, transport of exhibition goods, storage of empty containers

DSV Solutions GmbH, Fairs & Events Germany

Irina Zimmermann, Mobile +49 173 71 48 205, fairs.leipzig@dsv.com

or at the FMB Lounge

The delivery of heavy machinery/exhibits weighing more than 1,000 kg and/or bulky machinery/exhibits with a footprint larger than 120 cm x 80 cm (Euro pallet) must be registered with the organizer and the official trade fair forwarding agent. Please note the delivery zones specified by the forwarding agent.

Please note that all forwarding services, as well as the use of motorized industrial trucks on site, are only permitted by the official forwarding agent.

Appointments for loading and unloading slots must be arranged directly with the forwarding agent. The forwarding agent will provide all further information and prices.

5. | | Orders by deadline / on site

We can no longer guarantee deliveries of furniture, stand construction elements, and technical connections ordered after the deadline (webshop closure). For orders placed after the deadline, please send an email request to fmb.ops@easyfairs.com. We will check availability and get back to you.

6. || Delivery / Collection / Parking DURING setup and dismantling

Site plan

Floor load capacity and mass of the hall doors:

Hall 20:

Doors: 5.00 m high; 4.50 m wide

Floor load: Point load > 5 t

Access for setup and dismantling

Please follow the signposted entrances to the exhibition grounds for the event. Access to the respective gates is possible depending on capacity; this is at the discretion of the security personnel. Please note that there is no right to drive directly up to the hall gate immediately after the exhibition closes.

On the last day of the exhibition, vans, trucks, and vehicles with trailers are only permitted to enter the exhibition grounds after the exhibition closes and after access has been authorized by security personnel.

All entrances and passageways near the gates, as well as all escape and rescue routes, must be kept clear. Any vehicles or materials blocking the access will be removed at the exhibitor's expense.

The German Road Traffic Act (StVO) applies to the entire event grounds. Please observe the traffic regulations in the delivery zones and follow the instructions of the parking and security personnel.

Delivery directly to the stand

The delivery address for shipments directly to your stand is as listed below. Delivery is only possible on the setup day, Monday, November 3, 2025, from 8:00 a.m. to 4:00 p.m.

Storage costs will be charged for deliveries made too early.

Please also arrange for any collection of your exhibits during the dismantling period. By arrangement with Easyfairs, collection is also possible until 12:00 p.m. on Friday, November 7, 2025.

Bad Salzuflen Exhibition Center

Hall 2x

FMB Trade Fair for Mechanical Engineering

EXHIBITOR NAME

Hall 2x, Stand XXX / Contact Person XXX (Tel.: XXX)

Benzstr. 23

32108 Bad Salzuflen

Please note that Easyfairs GmbH does not accept deliveries from exhibitors and therefore assumes no liability for the goods delivered.

7. || Parking for exhibitors

No parking permits are required to access parking lots P1 to P5. Please follow the instructions of the security personnel. Parking lots P2 to P5 will be served by a free shuttle service starting at 8:00 a.m. during the trade fair.

8. || Security

The hall will be locked after setup or after opening hours. This does not include liability for your exhibits. Individual stand security can be ordered until October 15, 2025, from:

Sicherheit OWL GmbH & Co. KG

Benzstr. 23, D - 32108 Bad Salzuflen

Phone: +49 (0) 5222 / 99 89 991

Fax: +49 (0) 5222 / 99 89 992

Email: info@sicherheitowl.de

9. || Digital solutions for an effective trade fair presence

Touch&Collect – the intelligent visitor badge

All trade fair visitors receive an intelligent name badge, the Smart Badge, at Easyfairs. As an exhibitor, you will be provided with a suitable reader at your stand.

When a visitor holds their Smart Badge to your reader, contact details and information are automatically exchanged. You will receive the visitor's contact details after the trade fair. The visitor will receive an email with all the exhibitors visited and links to the exhibitor profiles in the online exhibitor list.

IMPORTANT:

- The GoLeads package includes one reader including a metal stand as standard; the GoPlus package includes two devices.
- 14 days before the trade fair, your reader(s) will be automatically linked to your online profile.
- You can also link the reader to specific content yourself:
- To do this, go to My Easyfairs under Generate Leads → Smart Badge Technology → Manage Readers.
- This linking of specific content must be completed by October 20, 2025.
- The collected contact data (from Touch&Collect) will be available to you after the trade fair.

► [More information about Touch&Collect](#)

The Trade Fair App – Your Smart Planning and Matchmaking Tool

With the trade fair app, you stay optimally connected before, during, and after FMB – with customers, prospects, and potential partners.

What the app can do:

- All information at a glance: Exhibitors, products, presentations, and promotions
- Networking: Exchange ideas and schedule appointments in advance of the trade fair
- Your own trade fair calendar: Personally schedule presentations and meetings
- Smart networking: Recommendations based on your interests
- Always up-to-date: Real-time updates and important notifications
- Access to Visit Connect: Lead capture via your smartphone

Your exhibitor profile in My Easyfairs is automatically transferred to the app. Your stand personnel registered in My Easyfairs also automatically receive access to the trade fair app.

The app will be activated three weeks before the start of the trade fair – you will automatically receive your access data via email.

► [More information about the trade fair app](#)

Visit Connect – Capture leads easily and efficiently

With Visit Connect, you can scan the QR code on the smart badge and capture your trade fair leads in no time. You can add notes, voice memos, or images to each contact directly on-site.

For optimal lead qualification, you also have the option of creating customized questions in the Visit Connect backend before the trade fair. This allows your team to send targeted information to your contacts during or immediately after the trade fair.

👉 You can access Visit Connect directly on the home page of the trade fair app.

► [More information about Visit Connect](#)

10. | | Job Board

A job board will be available on-site for free posting of exhibitors' job openings.

Please bring your job postings printed in A4 format and hand them in at the Easyfairs information counter. We will post the listings for you.

11. | | Wi-Fi

A reserved Wi-Fi network is available free of charge to all exhibitors during setup day (Monday, November 3, 2025) and the entire trade fair.

User: FMB_2025, Password: FMB#2025

The publicly accessible Wi-Fi network is not suitable for transmitting large amounts of data, and internet access is not guaranteed throughout.

Booking a DSL connection is only possible directly through Telekom. Given the short notice, we as the organizers are unfortunately unable to confirm whether this is still possible. For connection details: Event Connection | Telekom Business Customers

12. | | Cloakroom

Use of the cloakroom in the entrance area is free of charge for exhibitors and visitors.

13. | | Catering

On the setup day, November 3, 2024, you will receive self-pay drinks and snacks during lunchtime from

11:00 a.m. to 4:00 p.m. in the bistro in Hall 21. You can also get free coffee and sweets at the FMB Lounge.

During the trade fair, you and visitors will receive free hot and cold drinks at the bistros. All exhibitors will receive vouchers for the bistros and the restaurant

(11:30 a.m. to 2:30 p.m.) upon registration on-site at the FMB Lounge. Visitors will receive a voucher for a snack at the bistro and for the hot lunch snack at the bistro upon entry.

14. | | Exhibitor Evening

This year, there will once again be an exhibitor evening with an anniversary celebration at the exhibition center. We will inform you about this shortly.

15. | | FMB Forum

If you have booked a presentation log at the FMB Forum, your speaker will have access to a laptop, projector, lectern, and microphone system. Please send your presentation to us by email to anncathrin.hinkelmann@easyfairs.com by Monday, October 27, 2025 at the latest.

Your presentation will be played on the laptop provided on-site. Connecting your own laptop is not possible. Please only upload videos in playable resolution. Audio playback is possible. To ensure a smooth event, we ask that speakers arrive 10 minutes before the start of their presentation.

16. | | Dismantling

In the interest of your visitors, we would like to point out that vacating the stand is not permitted during the trade fair. Dismantling begins at 4:00 PM, the day after the trade fair closes.

WE are here for YOU
