by EASYFAIRS

YOUR INVITATION TO THE FMB 2025!

THE REGIONAL TRADE FAIR FOR MECHANICAL ENGINEERING IN EAST WESTPHALIA-LIPPE

20 years of FMB – For 20 years, it has been the trade fair platform for innovations and business contacts in East Westphalia-Lippe, one of the centres of German mechanical engineering. This is where the industry meets, presents innovations and makes contacts.

Over 350 exhibitors – Global corporations and regional specialists - present the entire spectrum of the supplier industry for mechanical and plant engineering, including industrial services and special machine construction.

Theme pavilions – Even more special themes at the FMB! In addition to the SoMa CLUB, the joint area for special machinery manufacturers with over 400 m² in Hall 21, there will be the Connector PARK and the Digital HUB.
