

**NEW SIZES  
NOW AVAILABLE!**

# Cover Stock

**We've added new sizes to our PANG Industrial Cover Stock lineup to give you even more flexibility and options for your splicing and fabrication needs.**

- PANG Cover Stock is an uncured, natural rubber offering excellent adhesion and abrasion resistance.
- Ideal for hot vulcanized splicing and fabrication, with a maximum temperature tolerance of 60°C.
- Works perfectly with PANG's Rapid Solution: a one-part, flammable, black vulcanizing cement formulated specifically for hot vulcanizing applications.
- 18 month shelf life

## PERFECT FOR A WIDE RANGE OF APPLICATIONS

Whether you're working with conveyor belts or industrial fabrication, the expanded sizes make it easier to find the right fit for your project.
