L-BOX_{eco}

100 % sustainable packaging solution

100 % MOLDED FIBER (L-BOX_{eco} basic)

STACKABEL

SHAPE STABLE

L-BOX_{eco}

**A packaging solution that protects sensitive goods with certainty.
7 versions will be available shortly.**

- similar transport protection properties as PUR foam
- Stable cardboard on the outside – shock-absorbing fiber cast on the inside
- optimal transport protection even for sensitive goods
- no electrostatic charge possible
- ready for dispatch in just a few steps
- space-saving and therefore more cost-effective than conventional packaging
- sustainable, completely disposable in the paper cycle
- Patent pending solution + registered as a utility model
