Import of alcohol:

By Swedish law all alcohol that's being brought into the country needs to be registered, taxed and reported. Therefore, Nordic Organic Expo has started a co-operation with Grythyttan Culinary Science & Innovation Inc. to ensure all international exhibitors are able to bring their products to the event. E.g. to import 50 bottles of wine á 75cl, 14% will cost approx. €250. It all depends on type, Net. Vol (cl), Alc % and qty.

Step 1) Please fill in a separate document to import your beverages. Here you also find more information about prices. Step 2) Exhibitors who will offer alcohol tastings should contact Ulf Nordvall at Mässrestauranger +46 (0)765-01 31 01 or ulf.nordvall@malmomr.se.
