Soberbia
spirit

Welcome to **Unapologetic Luxury**
Pride in humanity, pride in beauty,
pride in science, and pride in the best
that life has to offer... with no
apologies. A world of daring and
determination. A universe with no
room for false modesty, only excellence.

The Purpose

- ▶ **Ivan Grau**, with more than 25 years as CEO in different companies in the world of cosmetics (skin care). Tired of watching how the companies are giving more importance to the marketing of products to its formula and its effectiveness, decided to create a product where efficiency and quality is their only reason for being.
- ▶ To do this, based on his experience, he decided to join in a single formula all natural active ingredients that exist in the world, seeking only the most beneficial to the skin without forgetting also the last generation of molecules and peptides.

The Purpose

- ▶ The brand **Unapologetic Luxury** was conceived in Barcelona for a single purpose: to achieve the highest standards of quality, style and effectiveness the world has ever seen.
- ▶ In January 2018, we put the finishing touches to **Soberbia Spirit face cream**, aware that only a fortunate few would ever be able to enjoy its benefits.

Unique

Soberbia has 20 main ingredients inside, from 20 different places of the world, it is the first cream in the market to achieve this quantity of main ingredients.

Soberbia also has in its formula latest generation of molecules and peptides anti-aging and anti-wrinkles.

Thanks to all these active ingredients is the only cream on the market that brings more than 30 different benefits, mitigating and solving most of skin problems.

Unique

First time in the cosmetic world to use the “**Cow Zhang mushroom**”, this ingredient from the mountains of Taiwan is one of the most powerful antioxidants of the world.

Unique

Soberbia has a **Mediterranean algae cocktail ingredient**, unique and specially developed by unapologetic luxury lab. A very specific preparation made with selected sea lettuces, fucus, laminaria and gelidium. Very powerfull against the skin aging and wrinkles.

Unique

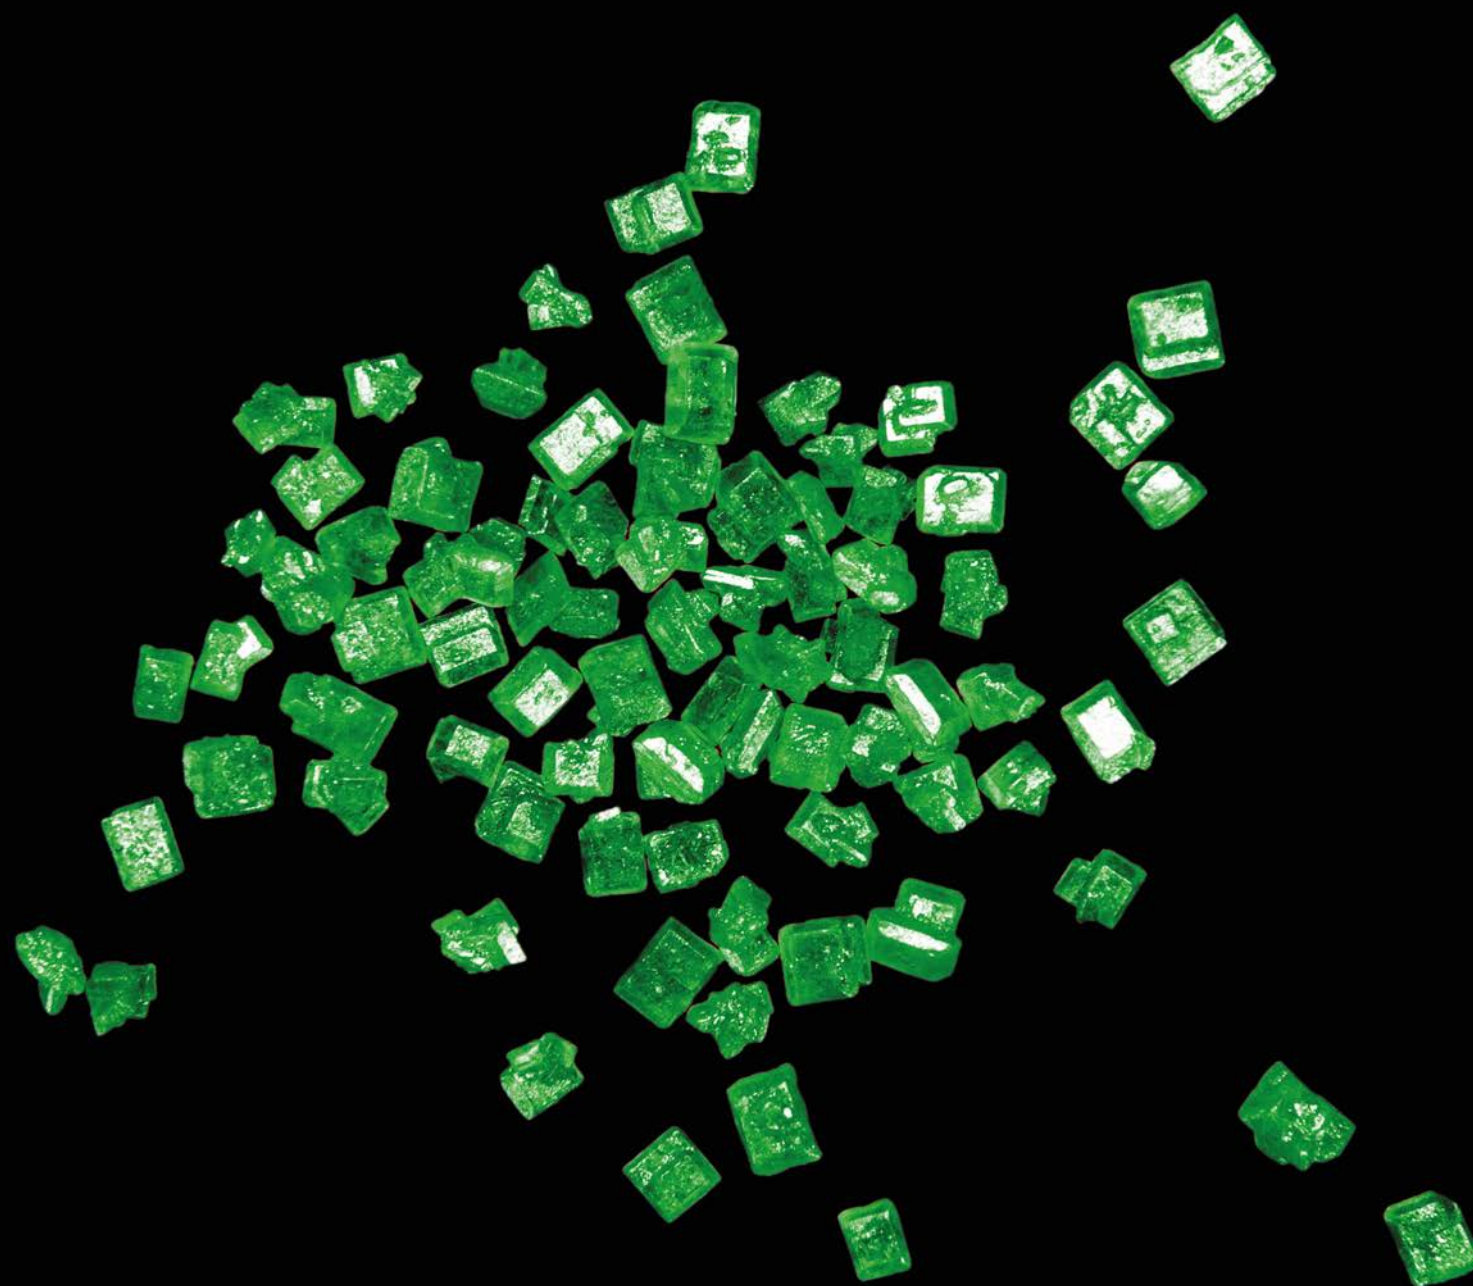

First natural emulsifier, made out of bees wax and jojoba that can adapt itself to the environment, becomes like this an intelligent cream.

Unique

Soberbia cream undergoes a long immersion process with an untreated Colombian emeralds, to absorb all their energy.

With proven efficacy

Soberbia has been subjected to numerous tests of efficacy always reaching much higher than other creams market results.

Soberbia has its complete dossier of safety and efficacy patch test, compliance with all European regulations of cosmetic products. These studies aimed at evaluating the effects: ANTI-OXIDANTS, ANTI-WRINKLES, NOURISHING, TONING, REGENERATIVE, ELASTICITY AND FIRMING, HYDRATION, LUMINOSITY AND ANTI-AGING power of Soberbia formula, comparing it with other creams on market, low, medium and superior quality in a group of men and women.

Devices Used

- ▶ **Corneometer:** Measures the moisture in the skin.
- ▶ **MTEWL meter:** Measure moisture loss.
- ▶ **Visioscan, Primos, Topometer:** Measures wrinkle power.
- ▶ **Cutometer:** Measures the tension, firming, tightening and anti-aging effect capacity.
- ▶ **Sebumeter:** Measures fat levels.
- ▶ **Chromameter:** Measures levels of skin regeneration.
- ▶ **Solar Simulator:** Measures the protection to UVB and UVA rays.

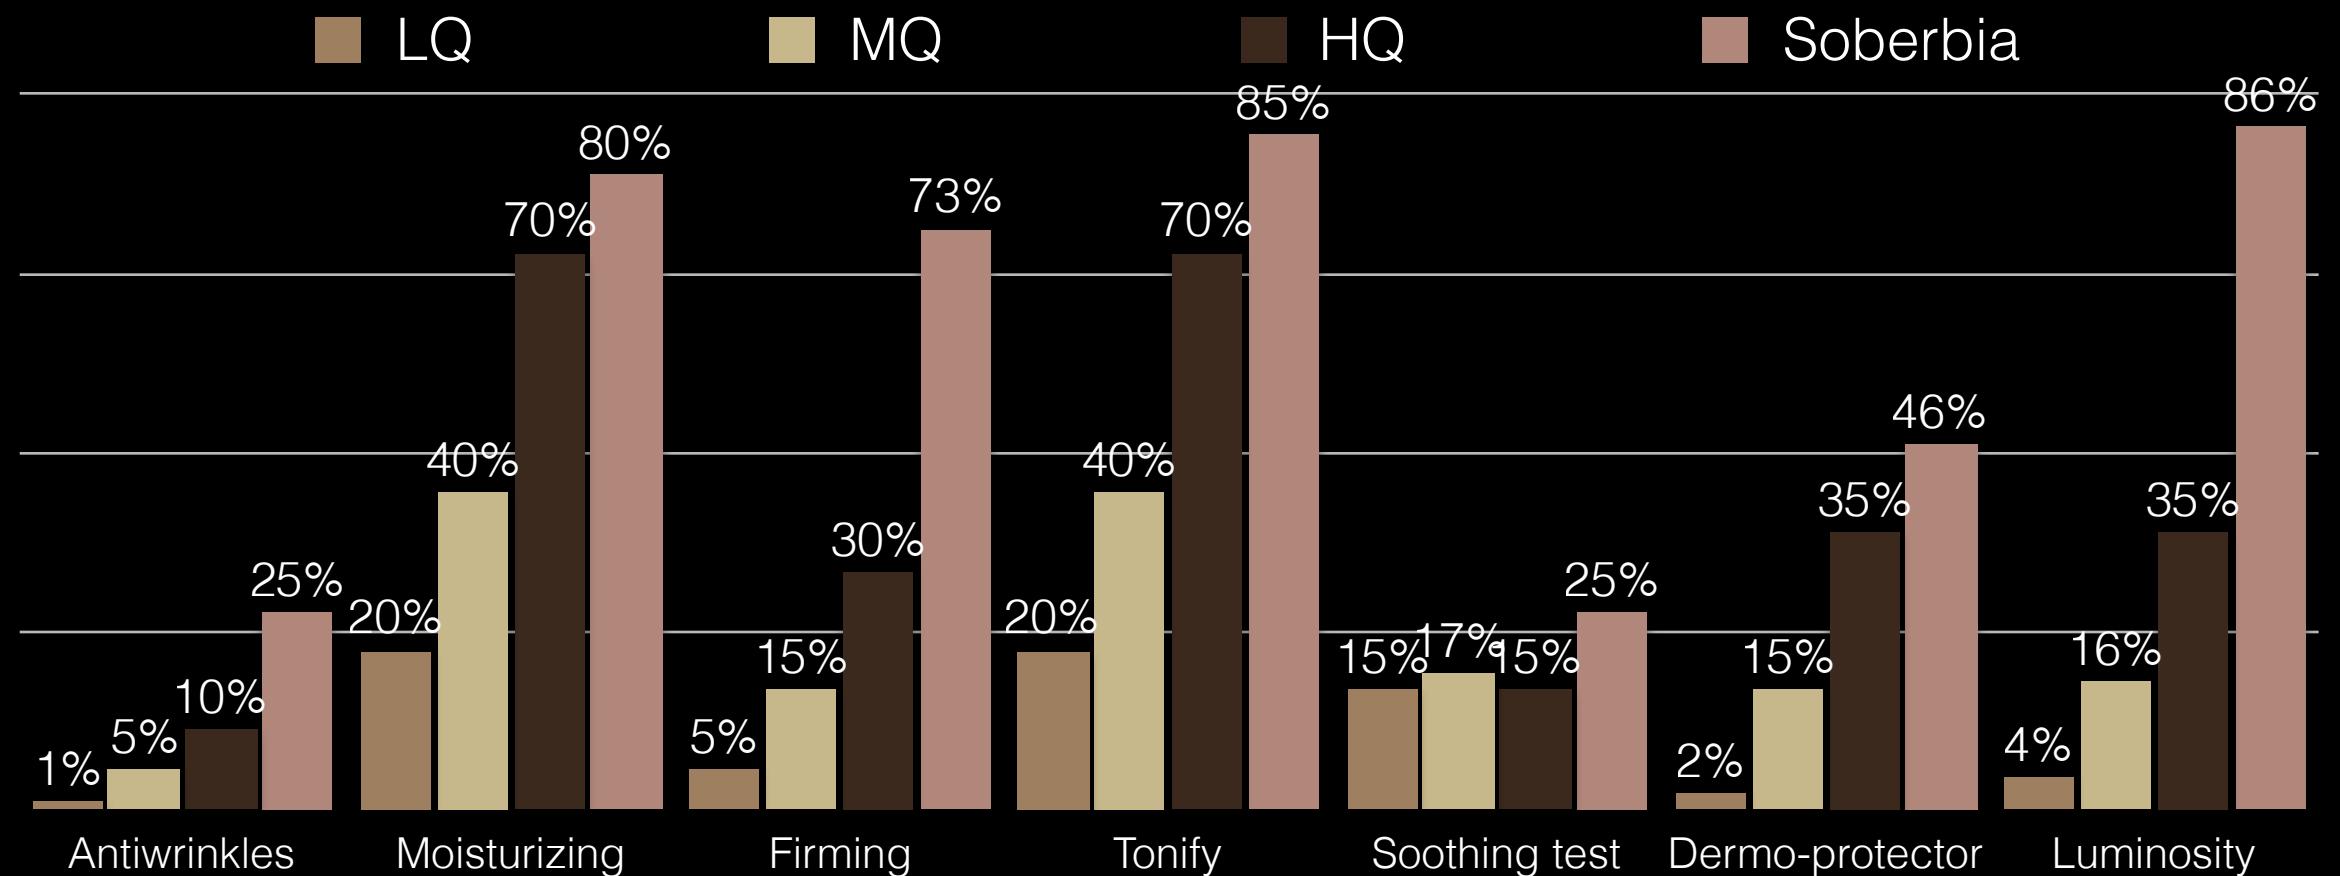

Comparatives

► 40 female volunteers and 40 male volunteers from 53 ± 6 years old.

► Application 2 times a day on half face for two months.

► Soberbia cream over another cream market low, medium and superior quality.
