

The Show Ready Collection

Space only exhibiting, made easy.

Show Ready: The Originals

Simple, impactful, sustainable stand solutions. Upload your graphics and arrive to an already-built, custom-branded environment.

The Originals are the backbone of the Show Ready collection: sleek, environmentally-minded, branded stands, that give you a strong, professional presence from day one. No complexity. No guesswork. Just a straightforward path to a high-impact, show-ready stand.

It's as easy as 1, 2, 3:

- Choose your package
- Add your extras
- Upload your artwork

Included as standard:

Stand system - lighting - graphics - flooring - electrics.

Show Ready: The Originals, features 18 different layout and design schemes to suit your space. **Get in touch** to explore our entire collection or book a call with our sales team

Show Ready: The Edit

The Edit is a curated collection of design-led, high-impact spaces with innovation and sustainability at their core.

With a laser-sharp focus on form, materiality and circularity, The Edit stands look and feel like entirely bespoke spaces but without the complexity, cost or unpredictability of traditional custom-builds.

Most of The Edit collection includes furniture as standard. And, you can always add more to enhance your space and meeting areas.

Included as standard:

Stand system - lighting - graphics - flooring - electrics - options for lightboxes - furniture - monitors - project management - installation & breakdown.

Show Ready: The Edit collection, offers additional, design-led schemes. **Get in touch** to explore our entire collection or book a call with our sales team
