Why Valverde?

As an exhibitor or sponsor, you invest time and energy into making a strong impression at your event. At Valverde, we ensure every logistical detail supports that effort seamlessly. From transportation arrangements to on-site handling, we manage the full process behind the scenes so you can focus entirely on your presence.

As your specialized event logistics partner, we keep you fully informed about all relevant details and regulations ahead of time. We manage transportation to and from the event and coordinate all planning with efficiency and competitive pricing, supported by our experience and industry knowledge.

Our support continues on site. Valverde can assist with stand deliveries, storage of empties or full goods, unpacking, and any other ad hoc assistance you may need. We take pride in providing excellent service with a personal approach, allowing you to focus on the event and enjoy the experience.

All in place, when the lights turn on!

During the exhibition only Valverde is allowed to use forklifts and other electrical lifting equipment on the event site and no stand materials can be delivered or collected during other times than those set by the organization.

Exhibitors who have placed an order with Valverde in advance will be given priority on-site during the construction and dismantling days. If you would like to receive a quote, please let us know by indicating this on the orderform.

BIG PARCELS AND/OR UNUSUAL DIMENSIONS

Easyfairs & Valverde have agreed to unload and deliver big parcels/equipment on the pre-build period before the official set up period of the fair (if possible) and reload them at the end of the last dismantling day.

Dimensions: Materials exceeding 2,00 meters in length/width or heavier than 2000 kgs.

This service is only for the un-/reloading of these specific types of equipment. Unless agreed otherwise with the organization it is not allowed to do any work on your stand during the pre-build period.

SHIPMENTS DIRECT TO/FROM VENUE

Shipments direct to/from venue can only be delivered or collected during official build up and dismantling days and times.
