

NEW FOR 2021 FOR ALL SHOWS

ONLINE EVENT DELIVERY SYSTEM

POWERED BY VOYAGE CONTROL

FAST TRACK YOUR DELIVERY EXPERIENCE

If you're exhibiting, building a stand, or delivering product at an NEC show make sure you book your delivery online in advance, for a simple in-out operation. ALL deliveries must be booked in advance and booking confirmation printed off to display on the vehicle dashboard on arrival at the lorry park and hall.

If you do, you'll be able to take advantage of the following:

- No queuing for your pass
- Contactless experience. Advance online bookings only – no cash on the day
- No longer queuing at a kiosk to pay for your deposit (on designated shows)
- Leave within the allocated time and no payment is charged
- Once unloaded there's no need to return to the lorry park. Just remove the vehicle to the exhibitor / contractor car park or leave site. The vehicle is automatically checked out by ANPR camera when it leaves the inner area via the gate house.

Enjoy a premium experience by booking in advance at:
