This tool will allow you to save the details of the visitors you speak to at your stand. Simply download the official Empack Madrid APP from your mobile app store and log in. Your Visit Connect licence will already be linked to your profile.

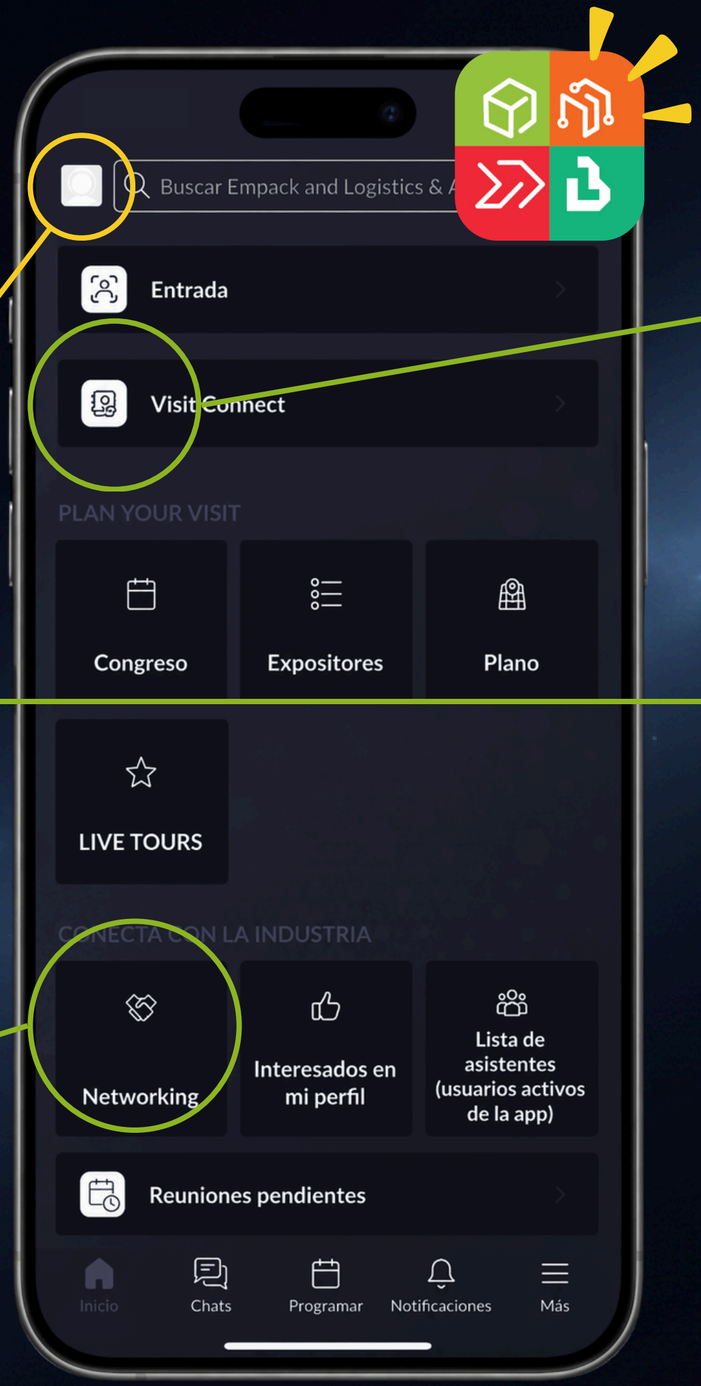

Edit your personnal profile!

Sigue estos pasos

1. Register your staff through your My Easyfairs profile
2. There you will find the Badge ID you need to enter when logging into the APP, together with the email address you used to register.
3. Set up your own login password.

Don’t forget to use the Networking section: connect intelligently with other professionals thanks to AI-powered matchmaking based on your interests and categories.

Access all app users, whether they attend the event or not, and automatically save your contacts in the meetings section to keep generating opportunities even between trade shows.

Scan the badges

Tap the QR icon button to start scanning the badges of the visitors you speak to during the event.

- **Inside this section, you will be able to see all the contacts you have scanned from the moment you start using the tool.**
- **Pro Tip: an ADMIN user can create questions / a questionnaire through the Visit Connect Portal (Menu -> Questions) to help qualify leads.**
- **Once you log into your profile, you will be able to view the list of active attendees and contact them before the event.**
