## COMPANY PRESSE RELEASE

### **🏆 GROUPE ADIC LES ATELIERS : TOUJOURS PLUS HAUT SUR LE PODIUM INTERNATIONAL DE LA RSE**

For the protection of the environment, for our employees, for the sustainability of our Group, we do the best we can every day.

And an independent official body was not mistaken!

EcoVadis, the global standard for assessing Corporate Social Responsibility (CSR), has in fact distinguished the *ADIC Les Ateliers* Group with the highest award. It is therefore with humility (tinged with pride 😊), that the *ADIC Les Ateliers* Group can now wear the gold medal of the EcoVadis world ranking.

This recognition places our Group among the 7% of the most virtuous companies in the EcoVadis world. It rewards the vision, commitment and determination of a Group resolutely involved in Sustainable Development, every day, for years.

We continue !!
