

# AEROSOL SERVICE

**Actuo** is the first aerosol actuator which can be easily operated using only one hand – without having to hold the aerosol can. The unique design makes the product application easier and helps to keep the product clean and more hygienic. Actuo fits almost any can size and can be used for a variety of products in the form of mousse, foam, cream or gel.

## clean

Keep your product clean even with coloring formulas

- hair foam
- body peeling
- body bronzer

## easily-operated

No need for gripping releases one of your hand

- shower mousse
- shaving gel
- products for the elderly & disabled

## hygienic

Minimal contact minimizes germs spreading

- sanitizing foam
- hand gel
- washing soap
