

# Paris Packaging Week Stand Types

## Key points to note for all stand types:

- You cannot fix anything to the wall panels using nails, staples, or screws. Lightweight polyboard or card panels can be fixed with double-sided Velcro, twin stick pads or blu-tack.
- You will be charged for any damage to the shell scheme panels or furniture items.
- Your stand does NOT include any electrics, furniture, or graphics. These can all be ordered through your MyEasyfairs account at [www.my.easyfairs.com](http://www.my.easyfairs.com)
