JC-Electronics
NEW AND REFURBISHED PARTS

Somos delegación oficial para la península Ibérica de la multinacional Holandesa **JC-Electronics, NÚMERO 1** en ventas de repuestos nuevos y reacondicionados e intercambio de electrónica industrial.

¿DÓNDE NOS ESPECIALIZAMOS?

Somos especialistas en **Venta, Intercambio y Reparación** de electrónica industrial, actual y descatalogada, motores y servomotores de las principales marcas del sector.

- **SIEMENS** (Simatic S5 S7, HMI, Sinumerik, Simodrive, Sinamics, Micromaster).
- **SCHNEIDER** (Quantum, Premium, TSX, Magelis, Altivar).
- **FANUC** (Alpha i, Spindel drive)
- **INDRAMAT** (Anax, Diax, Drive)
- **ABB** (Variadores de velocidad ACS, ACV, Procontic).
- **ALLEN BRADLEY** (Micrologix, compactlogix, CLS, Panelview).
- **LENZE** (9300 series Drives & Inverter 8200 series Inverter).
