

ALFAPURA®

Cradle to Cradle Certified®  
Material Health™ Gold (v4.0)

# Sustainable bonding that enables circularity

High-performance, free of harmful substances, and  
designed for safe recycling.

Cartons run smoothly on the line, laminations remain flat, and wood joints hold even in humid conditions. All made possible by ALFAPURA® the water-based, **Cradle to Cradle Certified®** adhesive.

## Specifically developed for your industry

### Packaging (Carton & Paper)

### Hygiene Products

### Wood Processing

**Fully compliant with PPWR, ESPR, and REACH regulations**
